Interesting Cases Session and Derrick Martin Prize

The session is one of the annual highlights of the BSGAR meeting and is usually heavily oversubscribed. The quality of submissions and presentations has always been fantastic, and in 2027 we expect the Derrick Martin Prize to be as hotly contested as ever!

Please submit an abstract of your case as a three-slide PowerPoint presentation using the following format:

- Slide 1: Cover slide – case title, authors and affiliations
- Slide 2: Text slide – case synopsis and final diagnosis (250 words maximum)
- Slide 3: Figures slide – up to 4 annotated images

The best 10 cases submitted will be invited to present at the Annual Meeting on Friday 5th February 2027 and offered publication on the BSGAR website. Accepted case authors will be asked to deliver a 4-minute presentation, in person, at the meeting in Winchester (full details will be provided after acceptance).

The **Derrick Martin Prize** will be awarded for the best interesting case presented by a Resident doctor or medical student. The winner will receive a prize of £200 in John Lewis vouchers. The Interesting Cases Session is also open to Consultants, but they are not eligible for the Derrick Martin Prize.
