BSGAR President's Welcome

Dear Colleagues,

On behalf of the Organising Committee, I would like to welcome the British Society of Gastrointestinal Radiology to Birmingham - this is the first time the annual meeting has been held in the City. Due to the growth of the Society we have had to move from the more intimate environment of a hotel to a conference centre. Hopefully the spirit of the Society will be preserved in this transition with the Dinner and Reception offering plenty of opportunity to catch up and exchange ideas with colleagues and friends from around the country. I am grateful for the continued support of our sponsors, as they help to keep costs at a manageable level.

It is my pleasure to invite Professor Clive Kay to give this year's Richard Farrow Memorial Lecture. I am sure that most of you will be aware of Clive's involvement with BSGAR, having been President from 2008-10. Over the years, Clive has progressively increased his managerial role, first becoming Medical Director in 2006 and ultimately Chief Executive of Bradford Teaching Hospitals NHS Foundation Trust in 2014, one of the few clinicians to take on a CEO position nationally, and it is from that perspective that he will give his lecture.

There have been many national reports, audits and guidelines relating to GI issues that have either been reported in 2015 or are about to be published in 2016. Naturally there is a radiological dimension to these and some have been chosen as themes for the meeting. Hopefully there is something of interest in the program for everyone. In accordance with feedback from those that attended last years meeting, the political session has been replaced and the time devoted to a clinical topic. Whilst feedback is often contradictory, any further suggestions for modifications to the program, future venues and topics for sessions are gratefully received.

I would like to thank all the speakers for their time and effort in preparing and delivering their lectures and I am grateful to Ian Zealley for organising the small bowel MRI workshops. Finally I would like to thank all the members of the BSGAR committee for their hard work and support during my tenure as President. I hope the 18th annual meeting is both educational and enjoyable to all.

Ashley Guthrie

BSGAR Membership

The following types of Membership to the British Society of GI and Abdominal Radiology (BSGAR) are available:

FULL MEMBERSHIP AND JUNIOR MEMBERSHIP

Full membership is open, by application to the executive committee to all practising or retired radiologists in the UK who have a special interest in Gastrointestinal and Abdominal radiology. Junior membership is open to specialist registrars training in the UK, interested in GI radiology. All full and junior members have voting rights at the Annual General Meeting. The yearly membership fee is £50 to help cover administrative expenses. Members are eligible for reduced registration fees at the BSGAR Annual Meeting.

ASSOCIATE MEMBERSHIP

Associate membership is open, by application to the executive committee to any radiographer with a significant role in GI and Abdominal Radiography who wishes to take an interest in the group's activities. Associate members do not have voting rights at the Annual General Meeting but have full access to all members' only sections of the BSGAR website. We wish to have active communications with all our professional colleagues, and encourage interaction in support of the Society's interests and the activities of its' full and junior members. The yearly membership fee is £25 to help cover administrative expenses.

HONORARY MEMBERSHIP

Honorary membership may be awarded to BSGAR full members who are considered to have made a significant contribution to GI and Abdominal Radiology through their clinical practice, teaching and research. Individual members can submit suggestions for honorary membership to the management committee. The management committee will consider such requests and submit the names of suitable candidates for ratification, by a simple majority, to the Annual General Meeting.

Applications can be made online at www.bsgar.org

Alternatively you can speak to Liz Jones or Dr Delia Peppercorn at this meeting.
