

“Excellent.”

“Good cases and the handouts are very useful for ongoing revision.”

FRCR Oncology Revision Course

4 – 5 September 2017
Guy's Cancer Centre
Guy's Hospital, London

Focuses on specific difficult topics for candidates in the Final FRCR Part 2 clinical and oral examinations.

Teaching will be delivered in small groups for maximum teaching opportunity incorporating practice in answering questions under simulated examination conditions.

Each candidate will also be offered an individual mock oral examination.

This course is aimed at those planning to sit the Part 2 Final FRCR in Autumn 2017.
