Meeting organisers:

Dr Ed Godfrey, Cambridge

Dr Sharon Wadhvani, Birmingham

This study day will provide a comprehensive update on the use of MRI for luminal GI and HPB conditions. The course is aimed at general and GI / HPB radiologists. Each lecture will include tips and tricks on MR technique and reporting. Luminal topics include perianal fistula, rectal, pelvic floor and small bowel MRI. HPB lectures will cover liver, biliary, pancreas and spleen imaging. The use of MRI in the acute abdomen, and new abdominopelvic MR techniques will also be discussed.

Registration fees:

Members	£208
Non-member	£257
Trainee member	£143
Trainee non-member	£188
Retired member	£143
Allied Healthcare Professionals and nurses	£143
Lay members, medical students and patients	£143
Industry	£281

Book online: <https://www.rcr.ac.uk/clinical-radiology/event/luminal-gi-and-hpb-study-day>

Bookings are accepted on a first come, first served basis.

Confirmation of a place will be sent by email within 21 days of payment being received. If you do not receive confirmation please contact conf@rcr.ac.uk.

We strongly advise delegates not to book travel or accommodation until a confirmation is received.

Cancellation policy: Notice of cancellation must be given by email to conf@rcr.ac.uk within the following dates:

- 31+ working days before a meeting: Will be entitled to transfer their fee to another meeting within 12 months or a refund minus a £15 administration fee
- 11 – 30 working days before a meeting: Will be entitled to transfer their fee to another meeting within 12 months or a refund minus a £25 administration fee

If less than 10 working days before a meeting, no transfer or refund permitted

Data Protection Act: Your name and hospital will be included on the list of participants, which will be issued to delegates, speakers, sponsoring companies and other interested parties.

See www.rcr.ac.uk for full terms and conditions.
