

# MEDICAL IMAGING CONVENTION

BIRMINGHAM 2020

Experience the Future of Medical Imaging

The UK's dedicated event that offers a comprehensive program on the latest innovations in imaging diagnosis and treatment.

Join over 2000 medical imaging and healthcare professionals at one of the most exclusive shows in the medical industry.

Visit the Imaging Convention and discover the enlightening key features of the show:

- Over 200 exhibitors sharing their most advanced technology
- 100 free to attend CPD accredited seminars led by industry leaders
- Headline sponsor, Phillips, showcasing ever evolving imaging needs
- Theatre teamed up with National Breast Screening Program
- Focus areas dedicated to popular medical imaging: CT, MRI, Ultrasound and X-Rays

Learn more about the show by visiting the Imaging Convention website.
