About the course

Hands on and live scanning

Small group teaching (max of 12 delegates) will be offered in an Outpatient setting. There will be 4 (small groups of 3) ultrasound rooms in use running outpatient scanning in tandem and offering the chance to demonstrate live scanning that will reflect everyday practice.

There is an established Bowel ultrasound service in Portsmouth with referrals for assessment of both new diagnosis Crohn's disease and follow up, RIF pain and screening abdominal scans.

08.00 – 08.30	Coffee and Introductory discussion (30 min workshop format)
08.30 – 13.30	Outpatient scanning (up to 60 patients)
13.30	Finish and Lunch Available

CPD credits have been applied for.
