LUMINAL GI IMAGING:

WHERE THERE IS A WAY IN, THERE IS A WAY OUT

Venue: British Dental Association, London

CPD: 6 CREDITS (APPLIED FOR)

This feature-packed one day programme focuses on developments and challenges in luminal imaging. The event will cover basic and advanced imaging concepts in the diagnosis and management of common pathologies with talks from leading GI radiologists and clinicians.

This study day will be a useful refresher course for practicing radiologists with a GI interest who may encounter these pathologies and examinations as part of their practice. The event will also be valuable to general radiologists and senior trainees developing an interest in GI radiology.

Educational aim:

- To develop an understanding of common luminal pathologies, the imaging modalities available in their diagnosis and management and how to interpret them.

08:30	Registration and refreshments	10:30	Refreshments
08:50	Welcome and introduction Dr Kannan Rajesparan, Consultant Radiologist, University College London Hospitals	11:00	The hand of God: Can we all be as good as MRI? Small bowel ultrasound Dr James Pilcher Consultant Radiologist, St George's Hospital
09:00	Inflammatory bowel disease: What the clinicians need to know Dr Clive Onnie, Consultant Gastroenterologist, The Whittington Hospital	11:30	Imaging in intestinal failure Dr Sara Upponi, Consultant Radiologist, Cambridge University Hospitals NHS Foundation Trust

10:00	No operation note, no previous imaging. An approach to postoperative imaging of the GI tract Dr Damian Tolan, Consultant Radiologist, St James' University Hospital	12:30	Lunch
		13:30	Colon cancer staging: What all radiologists need to know Dr Siobhan Whitely, Consultant Radiologist, Addenbrooke's Hospital

20 MAY
2016

- 14:00** **MRI in rectal cancer**
Dr Velauthan Rudralingam,
Consultant Radiologist,
University Hospital of South
Manchester
- 14:30** **Imaging anal fistula: What
does the surgeon need to
know?**
Professor Steve Halligan,
Consultant Radiologist,
University College London
Hospital NHS Foundation Trust
- 15:00** **Refreshments**
- 15:30** **GI luminal Intervention**
Dr Aidan Shaw, Consultant
Interventional Radiologist,
Maidstone and Tunbridge
Wells NHS Trust
- 16:00** **Oesophageal and gastric
cancer staging and
reporting: Key aspects for
oncosurgical management
decisions**
Dr Edmund Godfrey,
Consultant Radiologist,
Cambridge University Hospitals
NHS Foundation Trust
- 16:30** **Discussion**
- 16:45** **Close of event**
